Many thanks for your letter of January 22nd in regard to your son. I applogize for having been slow in answering.

Your son's background of education and travel and his apparent aptitude for languages would seem to qualify him for employment in this Agency. I suggest that he come to Washington some time in the near future and arrange an appointment in advance through my assistant.

for an interview with Colonel Tauthew Baird.

With best personal regards,

Very sincerely,
